## THE SUNTECK TRANSPORT GROUP Independent Contractor Opportunity

- If you are a successful owner-operator with a personal plan that includes owning and building a company that provides long-term growth, revenue and net worth...
- If you are willing to work hard and earn more money than you have ever made before...

### ... THEN SUNTECK IS RIGHT FOR YOU!

When you qualify to become a part of the Sunteck Transport Group family, you'll enter a business environment unlike any other.

We are a publicly-traded company with a multi-national presence that truly values its relationship with each employee, independent contractor and carrier.

Sunteck is devoted to our customers' service requirements with a clear understanding that transportation management teams are challenged each day to meet the demands of their supply chain. We recognize that our customers' logistics managers are often tasked with rebuilding internal elements and transitioning out of legacy systems to answer increased demands and manage unique variables. We leverage our state-of-the-art technology to develop logistics processes and customer interfaces that increase efficiency and reduce costs.
