

## SUNTECK TRANSPORT GROUP FULL TRUCKLOAD SERVICES

Sunteck Transport Group began as a full truckload carrier and over the past decade has matured into one of North America's leading providers of full truckload, LTL, Intermodal, expedited and logistics services. We are proud to boast that we have the ability to handle the day-to-day and peak capacity requirements of national and multi-national customers throughout the continent while providing superior truckload service at a competitive price.

In addition to a stable of trucks, trailers and meticulously qualified company drivers, Sunteck has contracts with more than 24,000 motor carriers who own and control in excess of 300,000 pieces of rolling stock. This additional capacity is called upon during those times when the entire Sunteck fleet is committed to existing loads. Virtually limitless resources available to the Sunteck transportation team enable our seasoned freight experts to cover and manage any freight and/or logistics dilemma.

One of our founding principals is our commitment to provide continuous, cost-effective, nationwide capacity in the full truckload sector. While we are recognized specialists in the timely development and delivery of competitive, long-term rates, we also provide immediate spot quote rates for customers with those requirements.

Our marketing and freight management teams respond to Requests for Proposal (RFP's), Requests for Quote (RFQ's), Request for Information (RFI's) and customer's and 3PL's on-line bids on an almost daily basis. Our cost estimators monitor market conditions including fuel surcharge changes, current and anticipated weather conditions, freight seasonality and regional equipment capacity availability to provide the most competitive, deliverable price and service.

## SUNTECK TRANSPORT GROUP LTL SERVICES

Sunteck recognizes our customers' expanding and continuously changing need for cost-effective, consistent less-than-truckload (LTL) services. Sunteck has a complete, full service LTL division providing competitive rates and exemplary customer service.

Our services cover the spectrum of shipping needs for virtually any distance, destination, special delivery requirements or handling. Our customers rely on our premium quality service with every single shipment.

- National coverage of all 50 United States including Alaska and Hawaii

- Dry, Refrigerated or Frozen Freight
- International coverage for thousands of shipping destinations throughout the world

### **Our foundation for unparalleled LTL service:**

- Friendly, highly skilled professionals
- Extensive coverage
- Long-term relationships with the nation's largest LTL fleets
- Cutting-edge technology
- Extremely low claims ratio

**TRUCKING | BROKERAGE | INTERMODAL | LOGISTICS | TECHNOLOGY SOLUTIONS**
